Thames Chase is the Community Forest which covers 40 square miles to the east of London, including the sites in this leaflet. The project is a partnership between the Countryside Agency, five local councils and voluntary organizations. The aim is to provide an attractive area with more trees, a range of wildlife habitats, farms and more places for you to visit.

Water Safety

- Please remember when close to lakes and ponds:
- the water is very deep and cold
 - swimming is prohibited
 - supervise children and dogs closely at all times
 - stay off the ice in winter
